

Dear Parents/Guardians,

Over the past few weeks, during morning drop off, some children have found it increasingly difficult to part with their parents and come into school. Despite their upset, the moment the children come into the class they become very settled and start to complete their first activity.

Due to this, to ensure that children have a smooth transition from home to school and for their safety on the playground, we would like for all Year 2 children to come straight into their classrooms when the gates open from Monday 5th February to Thursday 8th February. The children will then have half term and the hope is we start fresh again in the new term, lining up outside in the usual way.

The safety and emotional well-being of the children is paramount and we are hoping that together, with this temporary measure, we can support the children with coming to school and part with parents more smoothly and reset fresh for the new term.

Thank you for your continued support and understanding.

Miss L Vahidi
