Year R Update

Book Week - Silly Stories

EYFS have had a fabulous time this week creating silly stories. They have used story cubes and worked together to make up some very funny stories.

Breakfast and a Book - What a way to start the day! The children LOVED having a book with their breakfast to celebrate World Book Week. We even had extra toast and the children couldn't get enough of it! We may make this a regular thing!

A note from Miss Buckland

We are aware that we have recently been asking for your support and participation in several fundraising activities within the school and the wider community. We appreciate that this can be difficult for some families, and I would like to thank everyone for their efforts and involvement helping to raise money for such worthy causes.

After the Easter Holidays we will make every effort to streamline future events.

Thank you for your continued support.

Pupil Absence

If your child is going to be absent from school, please contact the school office:

Tel: 01202 514109

E-mail: office@hillview.bournemouth.sch.uk

If leaving a message or sending an e-mail, please give the following information:-
Child's name, Class/Year Group

Reason for Absence— We are required to record specific details rather than just "unwell". [Please let us know your child's specific symptoms](#). e.g. temperature, cold/flu symptoms, vomiting etc. Providing these details will prevent us calling you.

Please refer to the [NHS website](#) for advice regarding whether to keep your child away from school if they are unwell.

Science Week (11th – 15th March) [click here for letter](#)

In school next week, your child will be exploring a range of exciting activities based around this year's theme of Time for Science Week. In addition to this, we would like to create a rich engaging Hill View Science Fair in school showcasing the children's science learning outside of school.

At home we would like your child to embrace the enjoyment of being a scientist. We would like them to carry out some science that interests them (it does not have to link to the theme of time).

We would like all science fair projects to be brought in to school on Monday 11th March. (Year 4 to bring theirs in on Tuesday 12th March).

Safety notice!

We cannot accept any science project that poses a danger to our pupils, staff or the school building. As a result, please do not send in any sources of ignition, fuel or chemicals.

We still welcome pictures, videos or write ups if your science learning falls under this category.

Please find below some links to possible ideas. There are thousands more online.

Comic Relief - Red Nose Day (Friday 15th March)

Red Nose Day will be taking place on **Friday 15th March 2024**. The School Council have come up with some ways that we can raise money for this amazing charity.

1) Wear Red

Come into school dressed in **'red to toe'** on **Friday 15th March 2024**. Dust off your ruby slippers, pop on your lobster suit or simply don some scarlet socks- how far you take it is up to you!

In return, please donate £1 which will be donated to Comic Relief.

2) Do Something funny

Do something funny- **During the week**, tell a joke, put on a puppet show or entertain your classmates! One act to be picked from each class to show in the assembly on the Friday. **20p per entry for Comic Relief** and a prize will be awarded for the best comedy act to be chosen by the School Council.

3) Art Competition

Only using the colour red and a pencil, what can you create?

Competition entries to be handed in by **Wednesday 13th March**.

Please include your child's name, class and a **50p donation to Comic Relief**. Winners will be awarded in assembly on Friday 15th March.

With the help of our school community, we can help children and young people all over the world who need it most.

We look forward to seeing all the children looking fabulous!

Jewellery & School attire

Please can we remind parents and carers of our school uniform policy.

Uniform and shoes

Full uniform must be adhered to.
Trainers should not be worn with normal school uniform. These are only for PE days when children come to school in their PE kits.
Ties must be worn with shirts (no polo shirts).

Jewellery

We ask children not to wear jewellery. Small gold colour stud earrings only are permitted and will need to be removed on PE days, or carefully covered with a sticking plaster (supplied by yourselves) to minimize dangers in PE or games.

Hair

Children’s hair should be neat in appearance and tidy. We ask that children’s hair is an appropriate style for school and must not reflect any extreme fashion and should not be dyed. Long hair should be tied back. We request that elaborate hair ties or hair bands are not used.

Nail Varnish & Make-up

We ask children not to wear nail varnish and/or any make-up to school.

Coats

Please ensure children bring an appropriate coat for the forecast weather.

Thank you for your cooperation.

Year R - School Entry Health Questionnaires

School Entry Health Questionnaires (for Year R children) will now be digital rather than paper. Please click the following link to complete the questionnaire.

<https://forms.chathealth.nhs.uk/index.php/237433?lang=en>

This questionnaire will identify areas of support you or your child may need from the School Nursing Service. It will also give you a wealth of resources and links to help with any concerns you may have. When you have completed the questionnaire, you will be given the option of accessing a care plan and any relevant resources for your child, based on your responses. These can either be e-mailed to you or printed out.

Yours faithfully
School Nursing Service

Year 5 Swimming

If your child is unable to independently swim 25 metres, please contact the school office to arrange some additional swimming lessons.

Thank you.

Colour Run ([click here to view letter](#))

We are thrilled to announce that we will be hosting our first ever Colour Run! This will be an exciting new event which can be enjoyed by the whole family. Skip, hop or walk the course at your own pace.

The course will be just under 2 kilometres and held on the 18th May 2024 at Slades Farm Park. The run will commence from 1pm with more information to follow.

In order to take part, you will need to purchase a ticket for all attendees via Classlist. This is an event for the whole family - children and adults alike. Tickets are £2.50 per adult and £1.50 per child and must be purchased in advance. Deadline: Wednesday 8th May 2024.

General Meeting

Our next General Meeting will be held on Wednesday 20 March, 7:45pm at The Crown Pub in Northbourne. It would be lovely to see more people there. New faces and ideas are always welcome 😊

Help shape family hub services

We are changing the way we deliver family hub services and would like your views on what support is important to help you and your family.

Family hubs are welcoming and friendly places you can go when you need some help or advice. They are for all families with children and young people from birth to 19 years old, and up to 25 years for those with special educational needs and disabilities (SEND).

Your views will help shape how we deliver these services in the future, so please share your thoughts.

The consultation closes on Friday 22 March.

Behaviour and supervision at morning drop-off

Please can we kindly remind parents and carers that children must be supervised when waiting in the school vicinity for the gates to open. Only Year 5 and Year 6 children with prior written permission from their parents or carers to walk to and from school should arrive and/or be left unattended outside the school gates. Safe and respectful behaviour is expected at all times.
Thank you.
