

Dear Parents,

In our project, A Cultural Horizon, we will be tasting, creating and evaluating Indian dips and dals.

Our first step in this process will be to taste and evaluate some existing Indian dips and chutneys to help inspire our flavour choices. This will be during our Design Technology lesson on **Wednesday 1st May**.

As an outcome to this unit of learning, we will be designing and creating our very own Indian-inspired dish. In our tasting session, we will be trying poppadoms and naan bread along with dips including the follow ingredients:

- Tomato;
- Onion;
- Cornflour;
- Mango;
- Yoghurt;
- Mint;
- Oil;
- Pepper.

On **Thursday 23rd May**, we will be sharing the dishes that we have made, in a traditional way, and we would love for parents/carers to join us for this experience. This will be at **2:30 in the Year 4 classrooms**. The dish we create for this day will also include chickpeas and/or lentils- it will be meat-free.

Please let your class teacher know of any allergies or intolerances that we may not be aware of.

We are really looking forward to this outcome and seeing the children practise their culinary skills! If there are any further questions, please do not hesitate to talk to your class teacher.

Thank you for your support- we hope you can join us for our outcome.

Year 4 Team
