## Reach For The Stars

Newsletter No. 27 w/c 15/04/24

Dear Parents/carers,

It is lovely to welcome you all back to the start of the summer term. I hope you all enjoyed the Easter break and found time to relax and unwind.

You will have received your child's report today, and I am sure you were as impressed as we were at how much progress the children have made and how much they have learnt. They have really worked hard this year so far. If you have any concerns regarding the reports, please do please speak to your child's teacher.

We have a very busy half term ahead with Year 6 SATs, Year 1 Phonics check, and preparation for the Year 4 Multiplication Test Check next half term as well as the many varied activities happening across the school.

This week we have had lots of visitors looking around the school, all with positive comments and feedback about children's engagement and learning. (Please see below).

*"It was lovely to walk through your school,  
meet colleagues and speak to  
your lovely, well-mannered children"*

I am sure that this term will continue to be just as positive as it has started.

Have a lovely weekend!

# Earth Day 2024: Monday 22<sup>nd</sup> April

Green Team have met numerous times over the Spring term, conducting a school audit to see how energy efficient/sustainable we are at Hill View, but also to talk about what we can do to promote looking after the environment in school. After a bit of research, we came up with the idea of getting everyone in school to think about their energy consumption for one day - Earth Day!

To make it achievable in school, we've asked every class to try and reduce their energy consumption for an hour on Earth Day. What can you do at home to mark this important day?

Perhaps you could try getting involved with Planet Earth Games?

<https://planetearthgames.org/>

More buses have a great Earth Day offer too! Adults can enjoy unlimited travel on all MoreBus services for the whole of Earth Day for £4!

## Private Fostering

### What is Private Fostering?

Are you looking after someone else's child?  
Is your child living with someone else?

Private Fostering is when a child under the age of 16 (18 if disabled) is cared for by someone who is NOT their parent or close relative, for 28 days or more. This is a private arrangement made between a parent and a carer. Close relatives are defined as step-parents, grandparents, brothers, sisters, uncles or aunts.

### The role of Children's Social Care

A social worker will be allocated to both the carer and the child/young person, to ensure that the arrangement is meeting the needs of the child/young person.

Caring for someone else's child can be challenging. The Private Fostering Team will be able to provide advice as required throughout the arrangement.

It is a criminal offence to fail to notify the local authority of a private fostering arrangement.
