

Dear Parents/Carers,

We have had several members of the school community inform us that there are some children, in Year 6, who are making poor choices as they walk to and from school. We are also aware that some children are spending time at Redhill Common before and after school and that this may be without parental permission. Please may you discuss this with your children and ensure they are sensible and respecting others within the wider community. As they are in school uniform, they are representing the school and the values that we learn about. It is also important to remind children that adults must know where they are at all times so that they can be kept safe.

In addition to this, we have noticed that some children are arriving late to school so we would like to take the opportunity to remind you that the school gates open at **8:35am and they close at 8:50am**. If children arrive later than this, they will miss morning activities and setting up for the school day.

Thank you for your continued support.

Kind regards,

The Year 6 Team
