Private Fostering

Are you looking after someone else's child?

Is your child living with someone else?

Private Fostering is when a child under the age of 16 (18 if disabled) is cared for by someone who is NOT their parent or close relative, for 28 days or more. This is a private arrangement made between a parent and a carer. Close relatives are defined as step-parents, grandparents, brothers, sisters, uncles or aunts.

The role of Children's Social Care

A social worker will be allocated to both the carer and the child/young person, to ensure that the arrangement is meeting the needs of the child/young person.

Caring for someone else's child can be challenging. The Private Fostering Team will be able to provide advice as required throughout the arrangement.

It is a criminal offence to fail to notify the local authority of a private fostering arrangement.

A gift from the King!

Ellis in Year 6 was super excited to share with us this week that he met King Charles and Queen Camilla! King Charles held hands and handed out presents to patients outside hospital on his recent return to public duties.

Ellis was given three books and a Buckingham Palace chocolate coin. He described meeting the royal couple as "very exciting".
