Year 1 Update

Our final half term in Year 1 began with a holiday themed hook and the children enjoyed sharing their holiday experiences with their peers. Since then we have compared our holidays to the Victorian times, studying closely the differences in clothing and entertainment.

All of the children are very excited for our upcoming beach trip, and they are particularly interested in building sandcastles with their friends.

In maths we have been learning about money, and the children have been very enthusiastic when buying things from our shop. They were able to find the correct coins to buy items and they have been taking it in turns to be a shop keeper.

We are so proud of how independent our Year 1 children have become, and we can see that they are all ready for the challenge of Year 2.

Pupil Absence

If your child is going to be absent from school, please contact the school office:

Tel: 01202 514109

E-mail: office@hillview.bournemouth.sch.uk

If leaving a message or sending an e-mail, please give the child's name & Class/Year Group. We are required to record the **Reason for their Absence**. We need specific details rather than just "unwell". **Please let us know your child's specific symptoms** e.g. temperature, cold/flu symptoms, vomiting etc. Providing these details will prevent us calling you.

Please refer to the [NHS website](https://www.nhs.uk) for advice regarding whether to keep your child away from school if they are unwell.

Omegle Chat

We have been made aware that a few children are live chatting on a site/app called Omegle. Omegle was permanently closed as of November 2023. Launched in March 2009, Omegle was a 'virtual chat room' offering random users unmoderated or moderated chats with one another from anywhere in the world. There are many imitation apps such as 'Chat for Omegle', 'Free Omegle Chat' and 'Omeglers', but there is no longer an official Omegle site or app. All sites and apps appear to share the same features and purpose, but only some are linked to Omegle. As such, **parents and carers should check to see which apps children have got installed on their phones** and the risks presented with each.

Like most social media sites, Omegle has a minimum age rating of 13 years with parental permission. Without parental permission, users must be 18 years or older.

Omegle does not appear to have powerful moderation. It also does not require registration or have age verification, which makes young people a potential target for abuse online. Children and young people may be asked by strangers to share their name, age and location. So, it's also important to talk to your child about sharing personal information online with strangers.

Ways of keeping children safe online

- Having [regular conversations with your child](#) about their online life is an important way to keep them safe online – such as [chatting to strangers online](#)
- If they wish to communicate with others online, encourage them to use safe message boards like on the [Childline](#) and Ditch the Label websites
- Set up parental controls – you can enable filters, block certain websites and much more. Head over to our [Parental Controls hub](#) for more information
- Report it! If you suspect a child is a victim of [online grooming or sexual abuse](#), report it immediately to [CEOP](#) or contact the police.

School Photos

Fraser Portraits will be in school on **Tuesday 25th June** to take group class photos and Y6 leavers photos. Please can all children wear full school uniform on this day (No PE Kit).

Road Safety

The Road safety Team will be in school to talk to children on Tuesday 25th & Wednesday 26th June.

As our children grow and in-turn leave Hill View, sadly so do our P.T.F.A. therefore we really need new faces to continue the good work for our school and children. If you'd like an informal chat, please don't hesitate to pull one of us aside or drop us a message via [Facebook](#), or [email](#)

I Can Only Draw Worms – Will Kabbit

This book is about worms. I can only draw worms. You might think worms are boring - but you'd be wrong. These worms have INCREDIBLE adventures! I can't draw those bits, though, so you'll have to imagine them. A hilarious and superbly silly book that will have children in stitches and begging for more.
