Year 2 Update

Year 2 have been incredibly busy since coming back from half term. We started our Great Escape project with a voice note from a very scared Gretel who was asking for our help to save her and Hansel from the wicked witch. The children immediately started designing a getaway car to get Hansel and Gretel away from the witch, ready to start making them next week. They will need to be able to measure, saw and join lots of materials ready for their outcome to parents on the 18th July.

This week has been arts week and the children have immersed themselves into being amazing artists, creating artwork inspired by Argentina. We started off the week creating our own interpretation of 'Cueva de las Manos' (Spanish for Cave of the Hands or Cave of Hands), which is a cave and complex of rock art sites in the province of Santa Cruz, Argentina. It is named for the hundreds of paintings of hands stencilled, in multiple collages, on the rock walls.

Throughout the past few weeks being back at school, the children have also been working scientifically through asking questions and testing their theories. As part of one of our science experiments, the children tested the best surface for a car to travel the furthest. The children have really enjoyed being super scientists and are excited for our future experiments.

We are so proud of what our Year 2 children have achieved this year and it has been an absolute pleasure to be their teachers.

Pupil Absence

Reporting an absence.

If your child is going to be absent from school, please contact the school office:

Tel: 01202 514109

E-mail: office@hillview.bournemouth.sch.uk

If leaving a message or sending an e-mail, please give the child's name & Class/Year Group. We are required to record the **Reason for their Absence**. We need specific details rather than just "unwell". **Please let us know your child's specific symptoms** e.g. temperature, cold/flu symptoms, vomiting etc. Providing these details will prevent us calling you.

Please refer to the [NHS website](#) for advice regarding whether to keep your child away from school if they are unwell.

Snapchat

It has come to our attention that a number of children are using Snapchat, and some are sending unkind messages to other users. Please can we remind parents and carers that Snapchat has an age rating of 13+

CEOP (Child Exploitation and Online Protection Command)

CEOP is here to keep children safe from sexual abuse and grooming online. **CEOP are unable to respond to reports about bullying, fake accounts or account hacking.** They can help and give you advice, and you can make a report directly to them if something has happened online which has made you or your child feel unsafe, scared or worried. This might be from someone you know in real life, or someone you have only ever met online. They take all reports seriously and they will do everything we can to keep you safe. What kind of things do people report to CEOP?

Some of the things children and young people have reported to CEOP include:

- Someone online has asked me to send them nude images
- I shared a nude image with someone online and they are threatening me
- I did something that I was embarrassed about on webcam and someone has turned nasty towards me
- Someone I don't know is asking me to live-stream and do things I don't want to do
- Someone online kept asking me to meet them face-to-face and I feel pressured by them
- Someone online was talking to me about sex and it made me feel uncomfortable
- Someone online is putting pressure on me to do things I don't want to do
- Someone I met in an online game keeps trying to talk to me privately

As well as making a report to them, the [CEOP Education website](#) has information and advice to help you if something has happened to you online.

#SaferSummerTogether - From 15th July, CEOP Education will be launching #SaferSummerTogether on social media. **Six weeks of tips and activities helping parents and carers to keep their children safer online this summer and beyond.**

Look out for our **Tip Tuesday** and **Family Friday** posts focused on these weekly themes:

- Week 1: online gaming
- Week 2: socialising online
- Week 3: sharing pictures and videos
- Week 4: protecting personal privacy
- Week 5: harmful content online
- Week 6: getting help

MENTAL HEALTH SUPPORT TEAM (MHST) IN SCHOOLS MEET YOUR EDUCATION MENTAL HEALTH PRACTITIONER (EMHP)

JENNI PHILIPPS

WHAT IS AN EMHP?

An EMHP is an Educational Mental Health Practitioner. We are here to help children and young people and their school community with their mental health and wellbeing.

WHAT DOES AN EMHP DO?

We work 1-1 with students who need extra mental health support. We also offer staff training and support with difficulties within your classroom as well as running groups for students, parents and carers. We can send out information for you to help your students' mental health via email on a regular basis.

HOW DO I FIND OUT MORE?

PTFA Team Vacancy

Do you think you can join our team of fun and friendly volunteers? Our annual AGM will take place on Tuesday 24 September whereby we will be looking for new members. As our children grow and in-turn leave Hill View, sadly so do our P.T.F.A. therefore we really need new faces to continue the good work for our school and children. If you'd like an informal chat, please don't hesitate to pull one of us aside or drop us a message via [Facebook](#), or [email](#)

Concerns about a child

If you have a concern about a child, please can we ask that you speak to a teacher, rather than approach the child's parents/carers. It is very important that we follow the correct procedures in such situations.

Thank you for your cooperation.

School Council

The school council have purchased some new toys which will be out on the playground for children to play with at lunchtimes.

Results from KS2 Parent Survey - Maths Homework

Thank you to everyone who took the time to respond to the Maths Homework Survey - we had over 100 responses from parents across Key Stage 2. It has been decided from your feedback that we will revert back to the homework books from September.

The school have also emailed the Chief Executive Officer at Pearson, to express our disappointment with the Maths Flex system and to forward on all anonymous comments to them in order to improve their systems.

Gobolino The Witch's Cat – Ursula Moray Williams

Gobolino by Ursula Moray Williams is the charming tale of a witch's cat who would rather be a kitchen cat. Gobolino has one white paw and blue eyes and isn't wicked at all, so his mother doesn't like him. He escapes to look for a kitchen home but is distrusted everywhere he goes and blamed for mysterious happenings, such as the farmer's milk turning sour and the orphanage children's gruel turning into chocolate.
