

Dear Parents and carers,

We hope that you are well and enjoyed a lovely half term. Hill View's Arts Week is the week beginning Monday 17th June and, as part of this week, Year 4 will be working on numerous different creative projects. Our inspiration for the week will be creative arts relating to the Caribbean- music, dance, sculpture, poetry and many more exciting areas to explore. The week will involve many new skills and techniques, along with refining ones we have already learnt. This includes using watercolours, sketching and- very excitingly- tie dying!

To support with this topic, we kindly request that each child brings in a plain T-shirt suitable for tie dying, which they will then be able to keep and wear in the future. These don't need to be new t-shirts- they are going to be dyed after all- but it would be useful if they do not have any big logos/patterns on them already and is a white or pale colour. If you could send them in by Monday 17th June with their name written clearly on the label, we can use these to create their final masterpiece!

If you have any recommendations or resources that we could include in our creative learning based on the Caribbean, we'd love to hear about them and see if we can include these in Arts Week.

We'd like to take this opportunity to thank you for your ongoing support with the outcomes and home learning projects we have had throughout the year. The cooking session was a great success and it was lovely to see so many of you pop in to join us or enjoy sharing a taste of the meal at home.

Wishing you a lovely week.

The Year 4 Team
