

Dear Parents and Carers

EYFS have an exciting project called '**Community Champions**' and for this we would love your help! Are you or someone in your family a helpful and fantastic member of our local community? Would you be happy to come and talk to our Reception children about what your job involves? We would really love your help and support. Last year we had such an amazing array of people to come and talk to the children and it was a huge success.

We are looking for:

- Police Officers
- Firefighters
- Doctors/Nurses
- Postal Workers
- Paramedic
- Armed Forces
- Supermarket worker
- Waste collection person
- RNLI

The children would love to see you in uniform and hear some of the amazing stories based around your jobs. The talk will only be brief as the children are not sitting for long periods of time, but it would be amazing to have you in school.

If you can help please contact the school office and they will pass on your details.

Thanks,

EYFS Team
