Reach For The Stars

Newsletter No. 01 w/c 04/09/24

Dear Parents/Carers,

It has been wonderful to welcome all of the children back into school last week. It has been lovely seeing so many familiar faces as well as welcoming new parents and children to the school. They have come back into school with such a positive attitude and appear really happy to be back into school – seeing their friends again and settling back into school routines. The children are looking extremely smart and as I walk around the school it is evident that the children are engaged in learning. Thank you for the part that you have played in preparing them to start school. We look forward to working with you all and getting to know you better. We hope that all of our new children and parents will be happy at Hill View.

We have another exciting year ahead of us with many trips and visitors already booked as well as lots of new learning for your child/children as well as opportunities throughout the year for you to come and see your child's learning. On 14th October at 3.30 – 4.15pm you will be able to pop in to see the books and meet the teacher, there will also be a presentation sent out to all parents in due course – we hope you can all join us. Please look out for other dates of outcomes etc.

I would like to remind you of the three school rules that we expect all children to follow, that is to be: Ready, Respectful and Safe. So, you can help reinforce these with your child at home. Please do look at the Behaviour section on the website for further information - <https://hillviewprimary.co.uk/behaviour/>

If you have any concerns, please speak to your class teacher first. If they continue the Year Lead is available to support. Finally, a member of SLT is always happy to help.

I hope you have a lovely weekend and thank you in advance for your continued support

Miss Victoria Buckland

Road Safety & Parking

Last academic year we received several complaints from parents and residents regarding parking and road safety at drop off and pick up times. Dangerous parking is an increasing issue around schools, putting the safety of children and others at risk. Parking on zig-zag lines or pedestrian crossings can cause visibility issues to drivers and people walking the pavements alike.

Drivers should not park near a school entrance

This also includes anywhere that prevents access for emergency services, at or near a bus stop, opposite or within 10 metres of a junction, over a dropped kerb, and in front of an entrance to a property.

Drivers should not park on yellow zig-zag lines

These lines indicate the length of the road where stopping or waiting is strictly prohibited. Where there is an upright sign, there is a mandatory prohibition of stopping and/or waiting during the times shown. Yellow zig zag lines without signs do not have a Traffic Regulation Order and therefore, are not legally enforceable.

Drivers should not park on white zig-zag lines

Unlike yellow zig-zag lines, white zig-zag lines are enforced by local authorities and the police, and prohibit stopping or waiting even in the presence of a sign.

Drivers should not park on double yellow lines

Stopping or waiting on a double yellow line is strictly prohibited. Double yellow lines prevent vehicle owners from parking or waiting in this area at any time.

Drivers should not park on single yellow lines at certain times

Single yellow lines prohibit parking during specific times. A nearby sign will indicate the times in which vehicle owners are allowed to park on single yellow lines.

Drivers should not park on private forecourts

We have received complaints from the Post Office staff at the parade of shops opposite school that parents are using their forecourt as a car park and blocking staff access/ exits.

Illegally parked vehicles can be reported to parking@bcpcouncil.gov.uk

Please help to keep us all safe by abiding to these rules.
Thank you.
