Pupil Absence

If your child is going to be absent from school, please inform the school office:

Tel: 01202 514109

E-mail: office@hillview.bournemouth.sch.uk

If leaving a message or sending an e-mail, please give the child's name & Class/Year Group. We are required to record the **Reason for their Absence**. We need specific details rather than just "unwell". [Please let us know your child's specific symptoms](#) e.g. temperature, cold/flu symptoms, vomiting etc. Providing these details will prevent us calling you.

Please note that if your child has any sickness and/or diarrhoea, they must stay away from school for 48 hours from their last bout.

Please refer to the [NHS website](#) for further advice regarding whether to keep your child away from school if they are unwell.

Year 3 Update

What a great start to the term year 3 have had!

The children of year 3 have demonstrated an exquisite eye for detail as they have sketched and painted the magnificent Corfe Castle. They have helped Tomas grow dragon fruits and look after Flicker (his pet dragon).

Year 3 pupils have also written amazing stories by using their "Talk for Writing" skills. They used their story mapping skills to retell an original story, and then developed their own version. These stories were then shared with our EYFS pupils as part of our reading buddies time. They absolutely loved it! The adults loved it too!

A proud start to the year!

Road Safety & Parking

Last academic year we received several complaints from parents and residents regarding parking and road safety at drop off and pick up times. Dangerous parking is an increasing issue around schools, putting the safety of children and others at risk. Parking on zig-zag lines or pedestrian crossings can cause visibility issues to drivers and people walking the pavements alike.

Drivers should not park near a school entrance

This also includes anywhere that prevents access for emergency services, at or near a bus stop, opposite or within 10 metres of a junction, over a dropped kerb, and in front of an entrance to a property.

Drivers should not park on yellow zig-zag lines

These lines indicate the length of the road where stopping or waiting is strictly prohibited. Where there is an upright sign, there is a mandatory prohibition of stopping and/or waiting during the times shown. Yellow zig zag lines without signs do not have a Traffic Regulation Order and therefore, are not legally enforceable.

Drivers should not park on white zig-zag lines

Unlike yellow zig-zag lines, white zig-zag lines are enforced by local authorities and the police, and prohibit stopping or waiting even in the presence of a sign.

Drivers should not park on double yellow lines

Stopping or waiting on a double yellow line is strictly prohibited. Double yellow lines prevent vehicle owners from parking or waiting in this area at any time.

Drivers should not park on single yellow lines at certain times

Single yellow lines prohibit parking during specific times. A nearby sign will indicate the times in which vehicle owners are allowed to park on single yellow lines.

Drivers should not park on private forecourts and pedestrianised areas

We continue to receive complaints that parents are using the Post Office forecourt as a car park and blocking staff access/ exits. This is also a dangerous place to park and manoeuvre a vehicle while so many children and adults are walking in this pedestrian area.

Illegally parked vehicles can be reported to parking@bcpcouncil.gov.uk

**Please help to keep us all safe by abiding to these rules.
Thank you.**

The Abominables – Eva Ibbotson

A hundred years ago, in the Himalayan peaks of Nanvi Dar, the daughter of an English earl is kidnapped by a huge hairy monster. In a secret valley Agatha Farley is introduced to a family of motherless yetis and devotes her life to their upbringing. She teaches them to speak, tells them stories and insists on polite manners. But as the decades pass, tourists come to the mountains, a hotel is built and yeti-hunters arrive. Agatha knows that there is one place in the world where they would be protected.
