“My years at Hill View”

We are very proud to share with you all a beautiful poem written by one of our Year 6 leavers from last academic year. Scarlett has written about the memories she has of her years at Hill View.

My years at Hill View

I remember when I first came to Hill View,
There was laughing, playing and lots to do.
I made some friends, we had fun through the years,
Still having fun now, though secondary's near.

I've been taught to never give up,
With learning, playing and my clubs
At school I've been able to get my glory,
From reading, poetry and writing a story.

At school I've been able to wash the anguish away,
And save it for another day.
I've tried to create masses of success,
And continue to grow and do my best.

From riding a bike to baking bread,
We loved my lessons and the stories we've read.
So I'll make the best out of my time,
And keep wading through being kind.

The thought of secondary gives me trembling fingers,
But I know I'll enjoy it, that happiness lingers.
I'll always smile, even when it's hard,
I'll always try and make my family proud.

I'll keep my feet on solid ground,
And leap over the biggest mountains.
I'll always keep believing in myself,
If it's good times or bad, I'll look after my mental health.

We reach the top of the mountain school got me top,
And had it forever, through and through.
And with these reasons, I'll always remember,
These joyous days from January to December.

The End

Christmas Toy Appeal 2024

Giving Hope Today

Christmas is fast approaching and it is a time that many families face added pressure due to the current economical climate, the desire to give their child/children gifts and a memorable time. Bearing this in mind, Winton Salvation Army have contacted the school to see if we would be willing to help them with their Toy Appeal. They are working with Social Services and other official agencies to try and provide new toys for families in the local area.

As a school we would like to support this appeal and if you are willing, please can you donate a new toy from ages 0+, it doesn't need to be wrapped. If you are unable to donate a toy for this worthy cause, they have also requested vouchers that would be ideal for teenagers.

If you are willing to participate, please bring your donation to the main office where there will be a box for you to put your gift in. Donations of new toys or vouchers need to be in the school by **Friday 29th November** so that there is time for the gifts to be passed onto the agencies, sorted and given to families in time for Christmas.

Thank you in advance of your support and your kindness as we appreciate this is can be a difficult time for many people.

The Girl Of Ink And Stars – Kiran Millwood Hargrave

Forbidden to leave her island, Isabella dreams of the faraway lands her cartographer father once mapped. When her friend disappears, she volunteers to guide the search. The world beyond the walls is a monster-filled wasteland - and beneath the dry rivers and smoking mountains, a fire demon is stirring from its sleep. Soon, following her map, her heart and an ancient myth, Isabella discovers the true end of her journey: to save the island itself.
