

Dear Parents/Guardians,

We would like to invite you into school so your child has the opportunity to show you their work and learning in their books so far this term.

On Monday 14<sup>th</sup>, at the end of the school day, once you have picked up your child/children, you will have an opportunity to come into the classroom to look at your child's books.

You will need to collect your child as normal at the end of the day and if you would like to look at the books, stay on the playground. Once all of the children have been collected, the teachers will invite you into the classrooms. Once you have looked at the books you can exit out of the gate, via the playground, as normal.

The children have made a great start to the school year, and this will be an opportunity for your child to talk through and show you what they have already achieved this term. Class teachers will be in the classrooms to help guide you through the books; however, this will be a chance to look through work and if you require time to talk with the teacher, a separate meeting will need to be arranged.

We look forward to welcoming you into school.

Kind regards,

Mr Hall  
Deputy Headteacher
