

Dear Parents and Carers

As you are all aware, Christmas is fast approaching and is always a time that many families face added pressure due to the current economical climate, the desire to give their child/children gifts and a memorable time. Bearing this in mind, Winton Salvation Army have contacted the school to see if we would be willing to help them with their Toy Appeal. They are working with Social Services and other official agencies to try and provide new toys for families in the local area.

As a school we would like to support this appeal and if you are willing, please can you donate a new toy from ages 0+, it doesn't need to be wrapped. If you are unable to donate a toy for this worthy cause, they have also requested vouchers that would be ideal for teenagers.

If you are willing to participate, please bring your donation to the main office where there will be a box for you to put your gift in, we are able to take your kind donations of new toys or vouchers from Monday 11th November to Tuesday 26th November 2024. The donations will then be collected and passed onto the agencies, sorted and given to families in time for Christmas.

We appreciate that this is a difficult time for many people and we would like to thank you in advance of your support with this appeal and kindness.

Yours sincerely
