# What do the children do that aren't attending the trip?

We plan a fun project week for those that are staying in school for the week. We plan a range of activities that are similar to those they do at Hooke Court. For example, orienteering and team building activities.

## Updates for parents/carers during the trip

Parents and carers can be reassured that we send out updates during the trip. This will let you know what the children have been up to and how they are all getting on.

# Things to consider...

- Has your child stayed away from home before?
- Dietary requirements will be catered for but they WILL NOT cater for “fussy eaters”.
- Has your child learnt to make a bed?
- Cancellation – full refund is unlikely.

INDEPENDENCE IS KEY
