

Dear Parents/Guardians

We are really sorry about the huge delay in Tapestry (we've had a few technical problems!). We can now confirm that you should have received your Tapestry log in and can now activate your account.

Tapestry is an online journal for sharing information between home and school. We will add pictures and videos relevant to your child's learning. This may not be every day, or even every week, but it will be when we feel that learning should be shared. Our main aim is to spend time with your child and not be glued to a screen. We want to model play at every opportunity and feel that Tapestry is more of a journal rather than a daily log.

Any home learning or exciting things that happen at home then please feel free to add to Tapestry. We would love to see what you have been up to.

If you have any questions, please do not hesitate to ask your class teacher. If there is a problem logging in then please ask also.

Thank you for your continued support.

Yours sincerely,

EYFS Team 😊
