

Dear Parents,

EYFS have an exciting project called 'A Step in Time' coming up in January and for this we would love your support.

Do you have a more mature family member (A Grandparent) who would be happy to come and talk to the children about their childhood and life in the past? If so please let your child's class teacher know.

Also, on Tuesday 28th January we have Sarah B (A professional biscuit maker) coming to school to do a workshop with the children. For this to be able to take place we are asking for a **£2.50** contribution from each child. This will mean each child will be able to professionally decorate a biscuit with Sarah for the **Grandparents Tea Party on Thursday 30th January**, where a Grandparent/older family member (not a parent) will be invited into school to celebrate with us. Payment can be made via wisePAY, or the exact cash can be handed in at the office by **Friday 17th January**.

Information and pictures of biscuits made by Sarah are on her website. She does some fabulous workshops at her home and other locations too!
