

# YEAR 5 HOME LEARNING - THE DARK AGES

Your Home Learning challenge is to produce a visual aid or an artefact linked to our project of the Anglo-Saxons. Remember to choose something that you have a particular interest in finding out more about. Please bring your item into school on Monday 9<sup>th</sup> December 2024.

## As a historian you will:

- research relevant aspects of your chosen artefact or subject area.
- evaluate the sources and choose reliable ones.
- demonstrate your understanding of your chosen area.

## As an 'expert' you will:

- choose an item that will help others understand your area of expertise

## What will you do with your Home Learning?

As an expert in your chosen aspect of The Dark Ages, you will be asked to be a guest speaker at Hill View's Dark Ages History Convention. You will meet other experts from across the year group and share your knowledge with a small group of them. You will need your artefact or prop to help make your presentation (which you will work on in class) really clear for your peers to understand.

## You might be inspired by these ideas.

- Presentation
- Houses
- Weapons
- Jewellery
- Metal detecting
- travel
