

Year 5 Homework

Holiday Hygge Challenge

For your homework this week, we challenge you to embrace the 'Hygge' lifestyle to share a story with someone.

Hygge (pronounced hue-guh) is a Danish word used to describe the Scandinavian concept of coziness and contentment that stems from enjoying life's simple pleasures.

Whether it is in front of the fire, in a cosy den or snuggled up with some blankets – find a special place to share a story with a family member or a friend.

Ps. We would love to see some photos!
