Dear Year six,

Over the Christmas holidays, we would like you to have a go at three of our quizzes (copy and paste the links above into your browser). There are leaderboards available for the top 40 players but please ensure you use your first name and initial of your surname only if you achieve enough points to gain a position. No nicknames please!

For example - James F

The link has only been designed to be shared by pupils in our year six community.

Thank you

Year Six Team
